"MY ONLY REGRET IN LIFE IS THAT I DID NOT DRINK MORE WINE."

-Ernest Hemingway

Timber Hill Winery

Welcome to Timber Hill Winery, where great wine meets unforgettable experiences. We take pride in crafting affordable, handcrafted wines from cold climate grapes, ensuring that every sip reflects our passion for winemaking and hospitality.

At Timber Hill, we believe that wine is best enjoyed with good company, great conversation, and memorable experiences. That's why we offer a variety of event packages, private bookings, and unique opportunities to make your special moments truly unforgettable. Whether you're planning an intimate gathering, a lively celebration, or a corporate event, our winery provides the perfect backdrop to raise a glass and make lasting memories.

Inside this catalog, you'll find details about our event spaces, customizable packages, and exciting activities to enhance your visit. From guided tastings and engaging activities to private parties and specialty events, we have something for every occasion.

About us

Welcome to Timber Hill Winery, a cherished Woman-run winery nestled in the picturesque landscapes of Southern Wisconsin. With a dedication to quality and craftsmanship, we offer over forty unique wine varieties that are designed to leave a lasting impression from the first sip to the final drop.

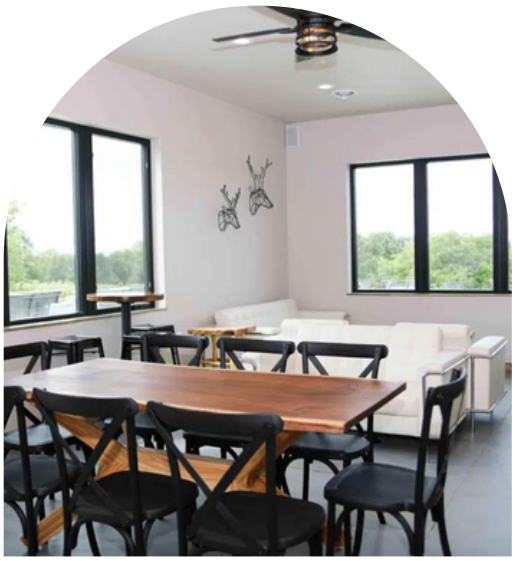

Our wines are crafted from grapes grown in the rich soils of Wisconsin vineyards, reflecting the character and quality of our region. Each bottle is a testament to our commitment to excellence and our love for the winemaking process.

Our passionate winemaker, Amanda delights in creating a diverse array of wines, driven by a profound appreciation for the craft, the joy of innovation, and the pure love of making and sharing delicious wine. At Timber Hill Winery, we invite you to explore our collection and share in the experience that comes from a true labor of love.

Special Events Menu

For occasions such as Bridal Showers, Baby Showers, Retirement Parties, and other events where the guest count is variable, we have developed customizable options designed to accommodate a range of attendees, eliminating the need for a per-person pricing structure. This allows hosts to estimate the number of participants, enabling them to place food orders according to the approximate guest count, thereby simplifying the planning process.
